FOOD SERVICE

# A FAMILY LEGACY

SINCE 1925

## FINE FOODS FOR RETAIL

NATCO is a fine food supplier that has been operating out of New Orleans since 1925. We supply some of the finest restaurants in Louisiana, and are also suppliers of institutional and large-volume food service locations. Our combined experience working in both volume and quality makes us an excellent retail partner who can satisfy the requirements of both value and high-end establishments.

## WHY NATCO?

### CUSTOM TO YOUR NEEDS

- We can create truly custom cuts, including unique sizes and nonstandard products.
- We can repackage bulk items into smaller, sellable, packages for your customers.
- Get your store-branded products direct from our facility.

### PRODUCT SAFETY

- Increased Shelf Life Safety.
- HACCP certified employees are involved in every step of our process, ensuring safe food handling.
- Peroxyacetic acid interventions eliminate 99.8% of E. Coli in food. Parasite treatment removes potential health hazards.
- Machine-cut meat means less hand-to-meat contact which equates to lower bacteria.
- Our facility is USDA certified.

## WORLD-CLASS CHEFS

For decades we've had our meats at the center of restaurant tables. Now, we want to be at the center of household tables, too. The finest restaurants in Louisiana have loved Natco for nearly a century. It's time the finest folks in your stores had a chance to experience our meats for themselves. More than just beef, chicken, pork, sausages, and steaks, your store stands to gain so much more with Natco.

## A RELIABLE PARTNER

From our meat cart in 1925 New Orleans to our fleet of modern trucks and national shipping network, NATCO has grown thanks to its commitment to customer success. Our market expertise helps our partners take advantage of new opportunities, while our world-class facility gives us the capacity to adapt to whatever our customers need.
